AFCEA ALASKA

Armed Forces Communications and Electronics Association, Alaska
P.O. Box 6142
Joint Base Elmendorf Richardson, AK 99506-6142

To Whom It May Concern,

AFCEA is an international, registered, non-profit membership association serving military, government, industry, and academia as an ethical forum for advancing professional knowledge and relationships in the fields of communications, IT, intelligence, and global security.

The Anchorage and southern Alaska region is served by our Alaska Chapter, hosting six luncheon meetings each year, and maintains a forum for collaborating and sharing information across various business sectors. We also host the 8th annual JBER IT Expo on May 21, 2015, which has been a hugely successful event. We continue to grow opportunities for professional development, networking, scholarships, grants and workforce development. In 2013-2014, we were able to provide \$7000 in academic grants and scholarships supporting Science, Technology, Engineering and Math to schools in the Anchorage and Mat-Su School Districts, and also Private and Rural schools. This year we would like to exceed that total. AFCEA Alaska is seeking partners to help expand our forum for exchanging ideas, experiences, and technologies in the areas of electronics and communications, and provide additional grants to schools and programs which enhance and grow STEM in Alaska.

Many organizations have already partnered with AFCEA Alaska to build the forum for promoting communications and electronics in Alaska. Below are suggested levels of sponsorship, but donations of any amount are accepted. Sponsors receive: recognition at every luncheon meeting; recognition on the Chapter website; prominent display of the corporate logo at every event; and tax contribution benefits. Please consider what might benefit your organization.

Annual Corporate Sponsor: \$1500
Monthly Meeting Table Sponsor: \$400
Monthly Meeting Individual Sponsor: \$30

To learn more about how you or your organization can contribute to the Alaska Chapter efforts, please send an email to sponsorship@afceaak.org or contact the AFCEA Alaska Corporate Liaisons – Electa Kean at (907) 360-3291, Jeff Roe at (907) 727-0101, Steve Boyle at (907) 529-9811, or Charles Bock at (907) 312-0309.
